Heart of the Cascades

As we transition from endless sunny days to the vibrant colors of autumn, we are reminded of the beauty that is Cle Elum. As winter approaches, I encourage everyone to take a moment to check-in with your neighbors. Listen to their stories—what brought them here and why they chose to call this place home.

Though we come from different walks of life, one thing unites us all: our love for this amazing community that truly embodies the Heart of the Cascades.

Downtown Revitalization

The final phase of the sidewalk project is underway with concrete scheduled to be completed by the end of this season! We appreciate everyone’s continued support and patience with this project and look forward to the end result.

Many Hands Make Light Work

Kaylee, Katy (CEDA Board Vice-President) and Jordan did an impromptu trash pick-up on September 17, 2024 – picking-up accumulated time of around 4 hours with over 50lbs of trash collected. We appreciate those of you who have been out picking up – we will be coordinating another pick-up in the downtown corridor before the snow arrives.

The Cle Elum Downtown Association is excited to introduce, **Kaylee Thompson**, *Executive Assistant*. She is a wonderful addition to the team, and has jumped feet first into social media, business visits and marketing! If you get a chance, stop by and say hello!

Brothers Holiday Lighting was in Downtown Cle Elum on Thursday, 9/12/2024 to service our rooftop lights. Please ensure that your lights are plugged in and (if applicable) any switches that control the outlet that they are plugged into are in the ON position for the duration of the Fall and Winter months.

The Cle Elum Downtown Association’s Design Committee is working with Trimlight (featured on Gemini Fish Market) for a new rooftop lighting experience. These are controlled by an app and can be synced to music or other light bars on adjacent buildings. If you are interested in replacing your rooftop lights, or having them added in the downtown core, please reach out to us.

MAIN STREET TAX CREDIT INCENTIVE PROGRAM

MSTCIP provides a Business & Occupation (B&O) or Public Utility Tax (PUT) credit for contributions given to eligible organizations. Once a request for credit is approved by the Department of Revenue, that business is eligible for a tax credit worth 75% of the contribution to your local Main Street organization. Additionally, if your downtown organization is a 501(c)3 you may be eligible for a federal income tax deduction as a charitable contribution.

Direct your taxes straight back into your community by participating in the Washington State Main Street Tax Credit Incentive Program. Good for you, and good for Cle Elum!

Example:

If you give \$1,000.00 to a local Main Street community in 2024 you will receive a \$750.00 tax credit in 2025.

Contributions received through MSTCIP help to fund annual events, like Cle Elum in Bloom, Pioneer Days, Boo-Elum & Christmas in Cle Elum.
